

Benedetta Storti

Education

- 10 January 2022 **Neurologist Specialist**
Università Milano Bicocca
- 3 July 2021 **Fellow of the European Board of Neurology (FEBN)**
UEMS Union Européenne des Médecins Spécialistes
- 7 March 2017 Licensed Physician in Venice, registration number 07113
- 21 July 2016 **Degree in Medicine and Surgery 110/110 cum laude**
University of Trieste, Italy

Languages: **Italian** : native language
 English : C1 **German**: A2

Professional Experience

- Apr 2022 - ongoing **Istituto Neurologico Carlo Besta – Fondazione IRCCS**
Neurologist, Cerebrovascular Unit (clinical, outpatient and research activities in the field of cerebrovascular diseases such as CADASIL, Moyamoya, cerebral amyloid angiopathy (CAA); clinical trials and database management of CADASIL and CAA).
- July - August 2021 **Medizinische Universität Graz**
Clinical Fellowship of the European Academy of Neurology
- Dec 2017 – Jan 2022 **University Milano Bicocca**
Residency in Neurology (estimated end date: 7 January 2022)
- July 2017 **Heriot-Watt University, Edimburgh**
General Practitioner during summer activities at the campus university
- Jan-Dec 2017 **Adecco and other companies**
Teaching experience of Occupational safety and health for employees

Awards and ideas

- Ideator and curator of Neuropod (<https://neuropod.it/>), the official podcast of the Italian Neurology Society (SIN), talking about the latest research and news in Neurology (junior expert in several episodes).
- Ideator and curator of the Instagram page @drbenedettastorti, created with the aim of scientific dissemination in the medical and neurological field.

- Representative of Resident and Reserach Fellows of European Academy of Neurology in the Educational and Teaching Committee (2023 – ongoing).
- Memeber of ESTEP Board (ESO Stroke Education Programme) (2023 – ongoing).
- Prize « Renzo di Luca », grant for best medical graduate thesis about Dementia (2017).
- Prize « Bruno Finzi », awarded based on undergraduate academic achievement and best medical graduate dissertation in neurological disorder (2017).
- Prize « Fondazione d'Antoni », awarded based on academic achievement and development of a scientific study in the field of vascular pathology and dementia (title: Progression in Cognitively Impaired Patients with Atrial Fibrillation: An Observational Study) (2021).
